Stanton Community Foundation

For many generations, residents of Stanton have enjoyed a wonderful quality of life. The Stanton Community Foundation is a united effort to preserve the lifestyle that means so much to our residents and their children.

An affiliated fund of

Stanton Community Foundation

Now there is a way you or your loved ones can be remembered and help your home area at the same time.

The Stanton City Council formed the Stanton Community Foundation in the Fall of 2005. The Stanton Community Foundation is operating under the auspice of the Nebraska Community Foundation. The purpose of the Foundation is to be a receptacle for gifts and memorials to be used to provide community services, exclusive of commercial ventures, for the benefit of the Stanton area citizens. Those gifts can be given with no special request in mind or can be designated for a special purpose.

All contributions made to the Foundation will be available for disbursement in support of allowable activities within the area. All projects will be selected by the Stanton Community Foundation's local board, unless specific requests have been made at the time of the donation.

Residents of the Stanton area have benefited from generous lifetime gifts and estate bequests for our parks, library, fire and rescue, Health Center and other civic projects. The Stanton Community Foundation will permit such future gifts to be deductible for income, estate and gift tax purposes.

Why a Community Foundation?

- ◆ To attract new financial support for the community "savings account" that will meet current and future needs.
- ◆ To provide a method by which people can leave their gifts to benefit the community we call home.
- ◆ To provide donors maximum flexibility and tax advantages with their charitable contributions.
- ◆ To provide professional management of endowment funds, in which gifts will be permanently invested and the earnings used for local charitable purposes.
